PRODUCT DESCRIPTION

Martin Yale 5335 Three Hole Power Punch The Martin Yale 5335B three hole power handle punch is capable of punching up to 40 sheets per punch. The Martin Yale 5335B hole punch punches holes with an 11 32 diameter. The adjustable margin depth gauge allows for custom punching. The power handle provides more leverage allowing for easier punching. Its adjustable ruled paper guide ensures exact centering of paper. The neutral center head can be deactivated with a simple twist for 2 hole punching. The 5335B can accommodate up to 7 or as little as 2 punching heads for different punching patterns.
